

Fiji's newest & most exclusive resort, Kokomo Private Island Fiji

Concealed on the edge of the Celestial Kadavu Island Group, this untouched private island encapsulates the essence of barefoot luxury. Sweeping across 140 acres, Kokomo Private Island boasts an abundance of lush rainforest, showcasing native flora and fauna, encircled by fine white sand beaches that lead into the azure waters of the Great Astrolabe Reef.

Each luxury suite is designed for privacy, comfort and relaxation. Comprising 21 exclusive beachside villas, 5 Luxury Hilltop Residences and the Private Beachfront Luxury Residence, each with its own personal infinity pool and private walled garden.

Kokomo Island is approximately 45 minutes flight from Nadi International Airport and only 25 minutes South of Suva airport, on mainland Fiji. Guests are transferred to the island in comfort on Kokomo's private Twin Otter seaplane or helicopter.

Designed for the intergenerational traveller, you can relax with peace of mind knowing that Kokomo Island is equipped with all of the facilities to cater to your needs. Whether it is indulging in culinary delights, participating in one of our many water or land activities, dropping the kids off at the supervised kids club or transporting yourself to a haven of relaxation in our Yaukuve Spa Sanctuary.
